RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS UNDER 35 U.S.C. 371

MS Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Notification of Missing Requirements under 35 U.S.C. 371, applicant respectfully submits a Combined Declaration and Power of Attorney, a Supplemental Application Data Sheet, and a Substitute Specification.

The current translation of the application into English is defective because the claims were not on a separate page. Applicant is hereby submitting a substitute specification which corrects this error.

Applicant is submitting a Supplemental Application Data Sheet to correct the priority information. The International Application No. PCT/EP05/054109 is incorrect. The correct International Application No. is PCT/EP05/051409. The International Filing Date of 3/29/05 is correct. However, the priority date of 8/27/04 is incorrect. The correct priority date is 3/29/04

which is listed correctly on the original Application Data Sheet. Applicant discovered that when the certified priority document was made part of the record, the incorrect document was submitted. This document has an International Application Number of PCT/EP05/054109 and a priority date of 8/27/04. Applicant has requested that the correct certified priority document be furnished to the USPTO to replace the current certified document that is incorrect.

Applicant believes that all defects have been corrected and requests a corrected Official Filing Receipt.

Please charge our Deposit Account No. 18-0013 in the amount of \$260.00 covering the fee set forth in 37 CFR 1.492(i) and 1.492(h). The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 18-0013, under Order No. 66682-0001.

Dated: March 22, 2010

Respectfully submitted,
